Acknowledgements

The preparation of the bilingual publication “Statistics 2023,” of the Universidade Eduardo Mondlane (UEM), was made possible by the combined effort of various stakeholders in the process of collection, analysis and systematization of the official data of the UEM.

So I thank all who contributed directly or indirectly in preparing this document, without neglecting the selfless effort of all (academic and non-academic staff) who, individually or collectively, have made this publication possible.

Special thanks are addressed to *Gabinete de Planificacao, Qualidade e Estudos Institucionais* for the collection, analysis and systematization of data. Similarly, at Faculties, Schools and the Academic Registry, Pedagogic, Human Resources and Finance Directorates, to the joint colDCoration provided with regard to the preparation and avaiDCility of data, analysis and revision.

Likewise, my gratitude is addressed to all those who made possible the development of the Universidade Eduardo Mondlane “Statistics 2023” publication.

Maputo, July 2024.

The Rector,

(Prof. Doutor Manuel Guilherme Jr.)

Introductory Note

The statistical data presented in this publication are an important element for the teaching, research and outreach and decision making, and is also an indispensable reference for planning and institutional management.

With this publication, which is also available online (www.gabpei.uem.ac.mz) it is intended to make accessible to the university community, partners of the institution – national and international – and public in general, data about offered courses, admissions, new arrivals, enrolled students, scholarships, graduates, academic and non-academic staff, overall budget and other useful statistical data referring to 2023 academic year.

All tables are presented in Portuguese and English languages, in order to allow greater dissemination of data to different users.

We hope that the information provided in this publication will be useful for all those who are interested and collaborating with Universidade Eduardo Mondlane.

Maputo, July 2024.

The Rector,

(Prof. Doutor Manuel Guilherme Jr.)
